Dear Parents / Carers,

RE : HOT SCHOOL MEALS – SEPTEMBER 2022

Unfortunately, Primary Lunches will no longer be able to provide hot school meals from the end of the summer term in July.

We have sourced a new provider, Willoughby Foods of Boston, who we are confident will be equally as good. They are a small company with a farming background and a passion for locally sourced, nutritious food. All meals are fully compliant with the School Food Standards and accredited by Lincolnshire County Council.

If you wish to find out more, please visit their website –
www.willoughby-foods.co.uk.

Government Universal Free School Meals will be provided free of charge for Reception, Year 1 and Year 2 children. All other year groups can purchase a hot meal at the cost of £2.30. You will still be able to choose the days you wish your child to have a hot meal.

All communication and ordering are to be done directly with Willoughby Foods. I have attached a form, which you will need to complete to register for an account to order your hot meals, and a sample menu. If you could return the registration form to the school office by the 31st May, I will collate and send onto Willoughby Foods.

If you have any further questions, please do not hesitate to contact me.

Yours sincerely,

Mrs. S. Marsh.
Senior Administrator.
