Dear Parents / Carers,

We have been able to offer wraparound care before and after school for a number of years and around 18 months ago, we secured a grant to fund the cost of a taxi from Denton CE School to Harlaxton CE School which has enabled us to offer wraparound provision until 6pm.

This particular grant comes to an end at Easter 2027 and therefore, from Term 5, 2027, the taxi element of wraparound care is no longer funded.

The purpose of this letter is to consult with parents on what wraparound provision will look like in Term 5 2027. There are two options. Either, we continue to run the taxi and pass the costs of this onto parents (likely an additional £5 per trip on top of the wraparound fees) or we look at the possibility of opening our own on site wraparound care.

Please note that due to the size and capacity of the school. The onsite wraparound care will be until 4:30pm only. If parents require child care after 4:30pm, they would still be able to access the wraparound care at Harlaxton but they would need to arrange their own transport via taxi or another arrangement.

Please express your preference using the online form. The form will be live for two weeks from the date of this letter.
