5th October 2026

Year 5 and 6 Planetarium Visit

Dear Parents/carers,

Throughout term 1, Year 5 and 6's science topic focuses on Earth and Space. To enable the children to gain more knowledge about space, we have organised a Planetarium to visit on Monday 12th October and the children will attend a workshop inside. This will take place at Harlaxton School. A bus will take the children to Harlaxton during the day, and we would ask if you could collect your child at 3pm from Harlaxton School.

The Planetarium is an immersive experience which will teach the children more about space.

The contribution per child is £8.20 which should be paid via ParentMail. If, however, your child is entitled to free school meals (Pupil Premium) and you are unable to make a contribution, please email the office enquiries@denton.lincs.sch.uk to give consent for your child to go on the trip. By paying for the planetarium on ParentMail, this will generate permission for your child to attend the planetarium. No additional written permission is required.

Yours sincerely,

Miss Burch and Mrs Welbourne
